and 35 1/2 x 22 5/16 x 11 in

**Coops** for transporting  
live birds

**Chick boxes.**  
With or without divisions.  
Dimensions: 26 x 19 9/16 x 6 in

**Slats**

**Characteristics**

A complete line of products, **produced in our own plants**, that are distinguished by their quality, design, long life and price.

The quality of the raw material used, together with the design, makes the products easy to clean and disinfect, and therefore helps to keep the environment clean.

**Products made of 100% virgin high density plastic with a UV additive.**

(Complies with FDA and EEC)

**Fog adapter.**

**Catch Cup**  
for drinker systems.

**Chick feeders**  
for automated systems

**TurboGrow 2 - Complementary Feeder**  
Placed between the pans of an automated feeder system, it allows more room for movement between pans, so that the birds eat as much from the chick feeder as from the feeder pan.

The design of the pan offers more than 39" of feed space.

**MaxPlus pans** for INDIV automated feeder systems.

**Feed dispensers** for all types of metal tubes

**Fill-Feeder**  
Dispensers for **Turbogrow-2** pans.

**Chickplus**  
Dispensers for all type of chick feeders.

**TT-Filler**  
Dispensers for **Turbogrow** pans.

**Turbogrow - Supplementary Feeder**  
Can be placed throughout the house and filled manually.
