

MaxClassic® Classic Poultry Feeder

Traditional design feeder with proven results.
Easy to manage from start to finish!

FEATURES:

- The MaxClassic® feed pan has a traditional classic design with a 13" diameter and is available with a 14 spoke grill or a 10 spoke grill.
- Rim-to-floor pan height allows the chicks easy access to the feed.
- For brooding, the pan is flat on the floor with the feed flow height within the pan allowing birds to consume without wasting or spilling feed on the floor.
- With quality being our ultimate goal, the design of the MaxClassic® feeder is manufactured in the USA from high quality plastics, which ensures years of trouble-free use.
- The pan has multiple feed level settings. Choose your desired feed level with just a simple twist of the feed level selector.
- Feed windows: when the pan rests on the ground, the 3 windows open automatically and fill the pan.
- With the slide-on cone top, the pans are easy to install and remove for cleaning. The grill may be attached to the pan with zip ties for cleaning.
- Easy assembly
