FEATURES:

- The MC-13 feed pan classic design, 13" diameter, and 14 spoke grill.
- Rim-to-floor pan height allows the chicks easy access to feed.
- For brooding, the pan is flat on the floor with the feed flow height within the pan, allowing birds to consume without wasting or spilling feed on the floor.
- With quality being our goal, the design of the MaxClassic® feeder is manufactured from high quality plastics, which ensures years of trouble-free use.
- The MC-13 feed pan can be easily assembled.

- The pan has different feed level settings. Choose your desired feed level with just a simple twist of the feed level selector.
- Feed windows: when the pan rests on the ground, it's 3 windows open automatically and fill the pan.
- The pans are easy to install and remove for cleaning. Grill may be attached to the pan by using zip ties for cleaning.
